THE STEERING WHEEL: PRESIDENT'S MESSAGE

Hello fellow members,

First, we are sorry for the inconvenience for some of you who planned to attend the Print Shoppe tour on November 1st. That tour has been postponed until the 8th of November. Also remember the Ford reception on the 15th 8-11AM with the SCRG picnic in Cypress from 11AM until 2PM. Sign up at November meeting and rsvp to both.

November 4th is our next general meeting, important time to vote for our officers for the next year(s).

Another event coming up in the spring of 2026 is the MAFCA national convention, it is often far across the nation. This year it will be in Oregon, a lot closer. Any Interest in our club making a tour to the convention??

Recently, Sherrell and I took a trip to The Deer Parke Winery and Auto Museum near Escondido. We sampled different wines, admired an array of convertibles and automotive memorabilia, and explored a variety of other antique collections. It is sort of an out-of-the-way place, but very relaxing and enjoyable.

Have an A day,

Bill

President, Diamond Tread

DIAMOND TREAD CHAPTER MISSION

The purpose of our club is to enjoy, preserve and protect Model A Fords.

To serve as a medium of exchange of ideas, information and parts for our members and to aid them in their efforts to restore their Model A to its original likeness. It shall further be the purpose of this club to help its members to become better acquainted, encourage and maintain the spirit of good fellowship, sociality, and fair play through sponsored activities, including the use of the Model A Ford and family participation.

The club shall be non-commercial, non-sectarian, and non-partisan. All monies shall be used for club activities and functions as deemed appropriate by the Board of Directors.

TRAVELS WITH BILL BAHR

Bill Bahr, our Diamond Tread Tour Director, recently travelled to Arizona, and gave us some neat reports and pictures to enjoy!

When visiting my son in Phoenix, Arizona. I went to Arizona Model A Shop. I have gotten some parts from them over the phone, but never been to the store before. He sells Ford Model T and Model A parts.

I introduced myself then I bought the stuff that I needed. He said, "Everything is for sale. Go look around." Then 2 live chickens ran into the shop! "Do you want a chicken?" I laughed and started to look around.

Stacks of used parts in buildings and sheds. Cars and one of a kind things just everywhere! In just one shed he must of had 500 metal wheels! It was a treat to meet such a nice family.

In Scottsdale, Arizona I went to the Scottsdale Railroad Park. There were vintage railroad cars and a steam locomotive. I went into the historic building and the first thing on display was a 1929 Ford Model A Pickup Truck. I am the luckiest guy in the world!

This is a very nicely restored truck!
