## ARE YOU ON FACEBOOK?

As we enjoy our 50<sup>th</sup> anniversary as a club, we are now on Facebook and sharing with the world what we are doing and who we are. Just search for Santa Anita A's in the Facebook search bar and you'll see all the posts of what's gone on with our club.

## PRESIDENT'S MESSAGE

Hello again! We all have heard the cliché "One person can really make a difference." Well, it's true at the Santa Anita A's! Our event director, Janet Beggs pulled off something that will be talked about for a very long time. Her goal was 50 Model A's for our 50<sup>th</sup> anniversary. She got us 85! Take a victory lap Janet, you deserve it. Also a special thanks to Jim Kroeger for the assistance he put into making it work.

**Dino Falabrino**

Some facts about the event:

**38** vehicles were from the Santa Anita A's.

**37** other vehicles attended from 6 other clubs.

**10** Model A street rods attended making **85** vehicles.

I can't thank enough the clubs that were instrumental in helping us achieve our goal.

They are: Diamond Tread, Orange County, Jewel City, Pomona Valley, Harbor Area and San Fernando Model A Clubs. We were honored to have MAFCA President Ed Tolman join us as well. It appears with the 85 cars we set a record for a non-sanctioned event in California. We're checking to see if maybe the USA! One person can make a difference.

Want more? Join us September 13<sup>th</sup> for our Model A Day event. Another fresh idea to celebrate our love for Henry's Lady. Yours truly, Dino Falabrino

## NEW MEMBERS

Meet Douglas and Arlene Highlen, our newest members. They live in Lake Arrowhead and have a 1931 Phaeton they call Goliath. His cell is 951-775-8629 and email is [cawdorwestlaird@gmail.com](mailto:cawdorwestlaird@gmail.com) Be sure and welcome them when you see them at a meeting or tour.

## 75 Model A's Attend Celebration!

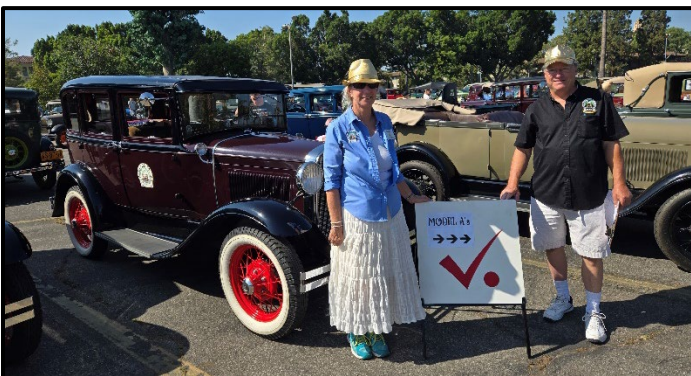

The Model A is the most collected car in the world with numerous chapters across Southern California. Those chapters united at the "50 A's for 50 Years" celebration hosted by the Santa Anita A's.

Overwhelming the Pasadena Elks Lodge and its parking lot, members from Pomona Valley, San Fernando, Orange County, Harbor Area, Jewel City, Diamond Tread and Santa Anita chapters helped set a record for the number of Model A's assembled by a MAFCA chapter in Los Angeles County; excluding National Conventions. Santa Anita brought thirty-seven A's while the other chapters combined for thirty-eight. We were hoping for 50 but we got 75! Even current MAFCA President Ed Tolman was in attendance and shot drone footage showing the size and scope of the event.

Almost every style of Model A was represented but one that stood out was Al Magee's 1930 Fordor from Jewel City. Most Model A's have a trunk in the back but this one has a kitchenette manufactured by the Tourist Supply Co. Inc. called the Tourist Kitchenette. They were produced starting in 1922. This extremely rare accessory folds out into a small kitchen pantry complete with ice box, water storage and sliding drawers. It is a show stopper.

Behind every successful event there are volunteers that make it happen. A special shout out to Chris Wickersham for parking assistance and signage, Janet Beggs for day of event coordination, (those golden horseshoes were a great parting gift) and Dino Falabrino for greeting attendees downstairs. Finally, I'd like to thank Mr. Bob Moore for coming up with the idea of 50 A's for 50 years. We were able to make his vision a reality. Well done everyone!

## **BODY & PAINT SEMINAR**

On October 4<sup>th</sup> at 9:00 am there will be a body and paint seminar held at Carl and Sue's place. The location is 1145 South Meeker Ave. West Covina, CA 91790.

We will discuss various methods of bodywork, preparation for painting and the products used.

Please sign up at the monthly meeting or contact Carl at FCR31CHEVY@AOL.COM

## **HELP FROM MY FRIENDS**

As most of you know our club will be having visitors from the East. The Route 66 tour is going to be quite an adventure for the travelers. Some of our club will be joining them in Williams, AZ and caravanning back to California with them. On Oct. 13<sup>th</sup> more of our club will be having lunch with them at Legends Classic Diner 1155 E. Route 66 Glendora, CA and escorting them on West through Arcadia. Some of us will maybe even travel to Santa Monica to help them celebrate the finish line!

My plan is to pack up my Tundra with supplies, hook up my 16 foot open trailer, meet them in Santa Fe, NM and be a support vehicle to them as well as our club members who go to Arizona.

My question to you is what things should I take and do you have new parts to loan out for me to have in the event of a mechanical issue? If parts were used you would be reimbursed or parts would be replaced, which ever you'd prefer.

So far, the truck and trailer are stocked with the following items: a 2 gallon can of gas, 4 gallons of water, an air tank and an air pump, a come along, various straps, emergency triangles, a fire extinguisher, jumper cables, various wrenches, screwdrivers, pliers, battery operated drill with back up battery, allen wrenches and a big dang hammer!

So, do you have new parts you haven't put on your car I can take? A water pump with 3 or 4 bolt, points, distributor, radiator cap, or carb? Maybe you could suggest other items to be taken.

See me, Dennis Chapman at the monthly meetings and tell your thoughts or call 909-762-5654 or email me at dennisofdb@verizon.net

## MONTHLY MEETING MINUTES

The meeting was held at Church of The Good Shepherd United Methodist Church, Arcadia, CA.

Dino Falabrino brought the meeting to order at 10:05am and the salute to the flag was conducted by Bob Moore.

The minutes for the June meeting were approved.

A new member in attendance was Doug Hyland. Dino said that Randy Harper had club badges for new members at the back table, as well as new rosters.

Dino thanked club member Frank Galassi for bringing the donuts this month.

Dino introduced Jim Kroeger to give a report on ABC Day at the Elks Lodge in Pasadena - 50 Cars for 50 Years event on August 10<sup>th</sup>. He said there were 75 Model A's in attendance, 37 from our club and 38 from 7 other Model A Clubs. He said this set a record for a Model A event in L A County. Dino also thanked Jim and Janet for their hard work in organizing this event. Isaac Ramos mentioned that there were also 10 modified Model A's in attendance.

Dino then introduced Bob Moore, Chris Wickersham and Isaac Romas to give an outline of the event that the club is organizing for the International Model A Ford Day on September 13<sup>th</sup>. The event will take place in the church parking lot, yard and hall. Attendees will be provided with coffee and donuts between 9:00 and 10:00 am and lunch between 12:00 and 1:00pm. There will be a Gymkhana organized for drivers and passengers of each Model A. A team prize will be awarded for this event. There will also be five games of skill or chance set up in shaded areas of the church yard for participants to vie for individual prizes. These will take place between 10:00am and Noon. They need a club member to volunteer to serve as a food chairperson to coordinate the coffee and donuts, ice delivery and act as liaison with the pizza provider. They also need somebody to volunteer to act as event photographer. Interested members can contact Bob, Chris or Isaac.

Frank Galassi said he put a box of plates from various Model A events on the back table and invited members to help themselves.

Dino warned about scams that are going

around. Someone posing as him or other club members wanting help with gift cards is a scam. **Don't send money and delete it immediately.**

Program:

Dino asked Gina to introduce her friend Robert Ell who is a friend of the Castle Green in old town Pasadena, and the activities that the friends organize to help contribute to the restoration.

Other news:

Dino introduced Don Ford, a guest who will hopefully soon be a new member from West Covina.

Dennis Chapman announced that he was preparing a support truck and trailer for the group making their way across route 66 from end to end. He asked if any members who have new parts, tools, advice and ideas to contact him. All members would be reimbursed or given their new parts back after the trip. Our Club will have lunch with them in Glendora and can escort them through our great city.

Bob Moore reminded the members that the club is organizing an Oktoberfest on October 18<sup>th</sup> at Richard Anderson's family compound. Information will be provided in the upcoming Newsletter.

Dino then introduced Gina and Bea who conducted the raffle and drawings.

Randy Harper – Drove a Model A

Howard Hays – badge

Jim Kroeger – club clothing

Raffle winners: Carl Rogers - \$25, Paul Cella – \$30,

Ken Anderson - \$25 and Chris Wickersham - \$25

The meeting was adjourned at 11:15am.

Respectfully submitted,

Warwick Nethercoat, Secretary
