## New member—Robyn Long

I have lived at McLaren Vale for the past 30 years on acreage where I have a small vineyard of Shiraz and grenache grapes which we sell and also have small batches of wine made yearly. I'm a huge animal lover and have 2 french bulldogs, a cat, Aussie white sheep, murray grey cattle and loads of heritage breed chickens.

I've always been a fan of things from the past such as old horse carriages like stage coaches, chuck wagons and anything from days gone by,

For about the last ten years I've always dreamed of getting a model A Pickup, my search took me to WA where I was able to buy a 1930 LHD model A that was imported to Australia 17 years ago.

She is beautiful red lady with a few modifications such as 12 v conversion, F1 4 spd gear-box, electronic ignition and 1948 Ford mercury Hydraulic Brakes.

Whilst I am still in the middle of trying to get her road worthied and on club rego I'm very excited to be able to start using her and enjoying her.
