OFFICIAL PUBLICATION OF THE MODEL A RESTORERS CLUB, GOLD MINE REGION, CHARTERED 2005

Director's Diggings

The month of June was a great one for our club! The Third Thursday Gang met on June 19th. This informal gathering for dinner is proving to be extremely popular. We always have a good turn-out and we enjoy the company and conversation. The change we made from Dairy Queen to Culvers is proving to be a good thing. If you have not had a chance to join us, please check out the "upcoming events" section for the dates.

Last month we had the opportunity to attend a unique event. Since we are always on the lookout for new and different things to do, a neighbor friend of mine mentioned the Cobb County Modeler's Radio Control Club Open House. He has been a member for several years. We had fifteen of our members make the trip to Acworth for the show. It was great! There were flying demonstrations of electric powered fixed wing jets, gas powered prop planes, and electric powered helicopters. Everyone was impressed with the skilled Pilots, even Larry McIntire, who flew for Southern, Northwest, and Delta Airlines for many years. This was truly a unique event, and I hope we can do it again in the future!

This month, in addition to the TTG dinner outing, the Burmaster's will be hosting our Ice Cream Social. The details will be in this issue of the Nugget News, and you will not want to miss it!

Plans are well underway for our 20th Anniversary Celebration on August 16th. Our Club was founded twenty years ago this August. The celebration will be held at Garmon's home in Milton on August 16, 2025. The Club will provide a nice meal for all the attendees, including a birthday cake, and mementos for everyone. This will only happen once, so please mark your calendars now. More information will be forthcoming!

We are continually looking for interesting activities to fill our Event/Tour Calendar. If you can help, please contact myself or our Tour Director, Jim, Taylor.

THE MINE SHAFT

The Ol' Miner is really looking forward to July's events! Please mark your calendars for Third Thursday, July 17th. It's a fun night with lot of fellowship time. The Ol' Miner sure had a great time at the Radio Controlled Plane Event this last month. It was amazing watching the precision that these pilots had in controlling these beautiful planes and helicopters. It was a truly a fun unique event to attend.

Frozen Yogurt Bark

Here's a simple recipe for delicious and healthy frozen yogurt bark featuring strawberries and blueberries:

Ingredients:

- 32 oz. vanilla yogurt (or plain Greek yogurt)
- 1 cup diced strawberries
- 1 cup blueberries
- Optional toppings: granola, nuts, chocolate chips, shredded coconut

Instructions:

1. Prepare: Line a rimmed baking sheet with parchment paper or wax paper.
2. Spread Yogurt: Pour the yogurt onto the baking sheet and spread it evenly to about 1/4 inch thick.
3. Add Toppings: Sprinkle the diced strawberries and blueberries over the yogurt. Add any optional toppings like granola, nuts, or chocolate chips.
4. Freeze: Place the baking sheet in the freezer for at least 3 hours, or until the yogurt is firm. For best results, consider freezing it overnight.
5. Break Apart: Once frozen, you can either cut the bark into squares with a knife or simply break it into pieces with your hands.
6. Serve and Enjoy: Serve immediately and enjoy your healthy frozen treat!

Storage: Store any leftover frozen yogurt bark in an airtight container in the freezer for up to 3 months. You can separate the pieces with parchment paper to prevent them from sticking together
